Screw Fixed Trunking
- Screw fixed trunking is fastened using an M5 screw.
- Security screws Torx TR T25 are available to order separately.
- Screw fixed trunking is made to order.
- Specification is as per turnbuckle trunking.
- Order details - substitute T with S on all product codes.

Each length comprises of trunking body, trunking lid, 1 coupler, 8 x (M5 x 8 screw and nut).
Lid is secured by turnbuckle fasteners.
Earth continuity link must be ordered separately if required.
IP4X Length Cover Straps must be ordered separately for lengths only.
Accessories do not require cover straps.
Standard Trunking Lid is available to order separately.
Epoxy Powder Coated & Multi-Compartment Standard Trunking is made to order.
